That door leads to the classroom and the houses are for the foreign princes!

Do you have good schoolfellows, Tut?

Pharaoh's son has EVERYTHING!

Say, Tut...are you at all pleased to see me again?

Since we met, you've been so...distant!

So...formal!

Are you happy to be here with US, aunt Nofret?

TUT! So you knew? You've known all along? How naive I have been!

But you're only a child! Do you realize the danger, if somebody finds out?

Better watch out yourself! Your slip is showing! Mother's never did that!

Now tell me about mummy! She's dead, isn't she?

Yes, Tut! Someone from this palace gave the orders for her assassination! After her death her servants forced me to take over her identity...

Tut!

I'm so sorry for trying to fool you!

That night...

SQUEEAK!

Makeaten?

Where is she, Tut?

Where is she?

AAARGH!

TUT!!

Tut! Wake up! You're dreaming!

What were your dream about, Tut? Your mother?

No! It was my half-sister Makeaten!

She was Nefertiti's daughter! We used to play all the time!

Until one day, when our father made her an adult!

Made her...an adult? But how?

He KILLED her!

Good evening, my good man! They say, you deal with jewellery...

!

Enter my shop and let's take a closer look!

Hm! What kind of payment do you prefer?

I'm going away, so I want solid copper!

Hide the goods! I'll bring the money from my other shop!

There he is!

28

Royal jewellery! No doubt about it! The man's a thief!

Put him before the town's judge!

That evening...

Say, Henuttawi! What's that party, they're preparing for in the great yard?

It's Pharaoh's banquet for his harem!

Has Pharaoh invited me?

No, your Highness! His Majesty Pharaoh Akhenaten, may he live, has not asked for you!

Pharaoh doesn't want your presence down there!

Because I want you to be here...with me!

In that case I'll give Henuttawi the evening off!

Meantime...

We caught this man red-handed selling stolen jewellery!

Has he confessed?

No, but the jewellery bears a royal monogram, although he has tried to remove it!

Are you a

No, no! They're a gift!

Make him talk!

I swear by Aten and Maat - I haven't stolen anything!
How dare you speak the names of the gods, you liar? The jewellery was certainly a king's property!

No! They didn't belong to a king!

They belonged to a woman!

They were given to me..!

When I visited Maruaten...

BY WHOM?
WHOM? WHOM?

I got them from...

KIYAAAAAAAAAAAAAAAAAAAAAAAAAAAA!
