AIF

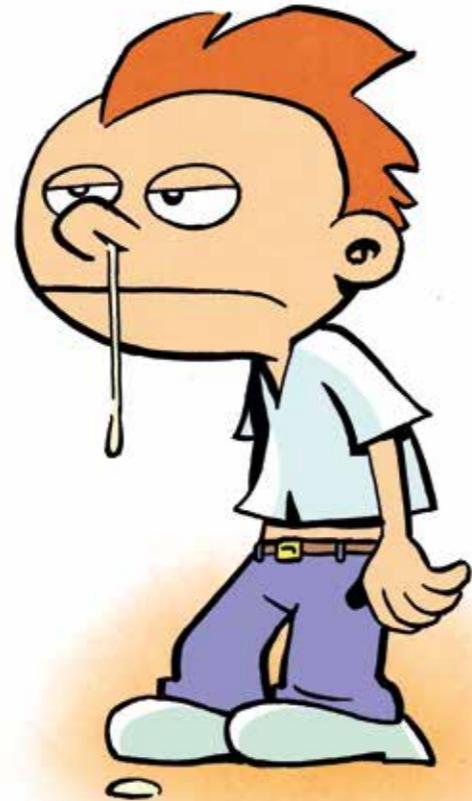

wants a pet **NOW!**

By Frank Madsen

E EUDOR

This is Alf. He is 5 years old.
Alf likes animals very much.

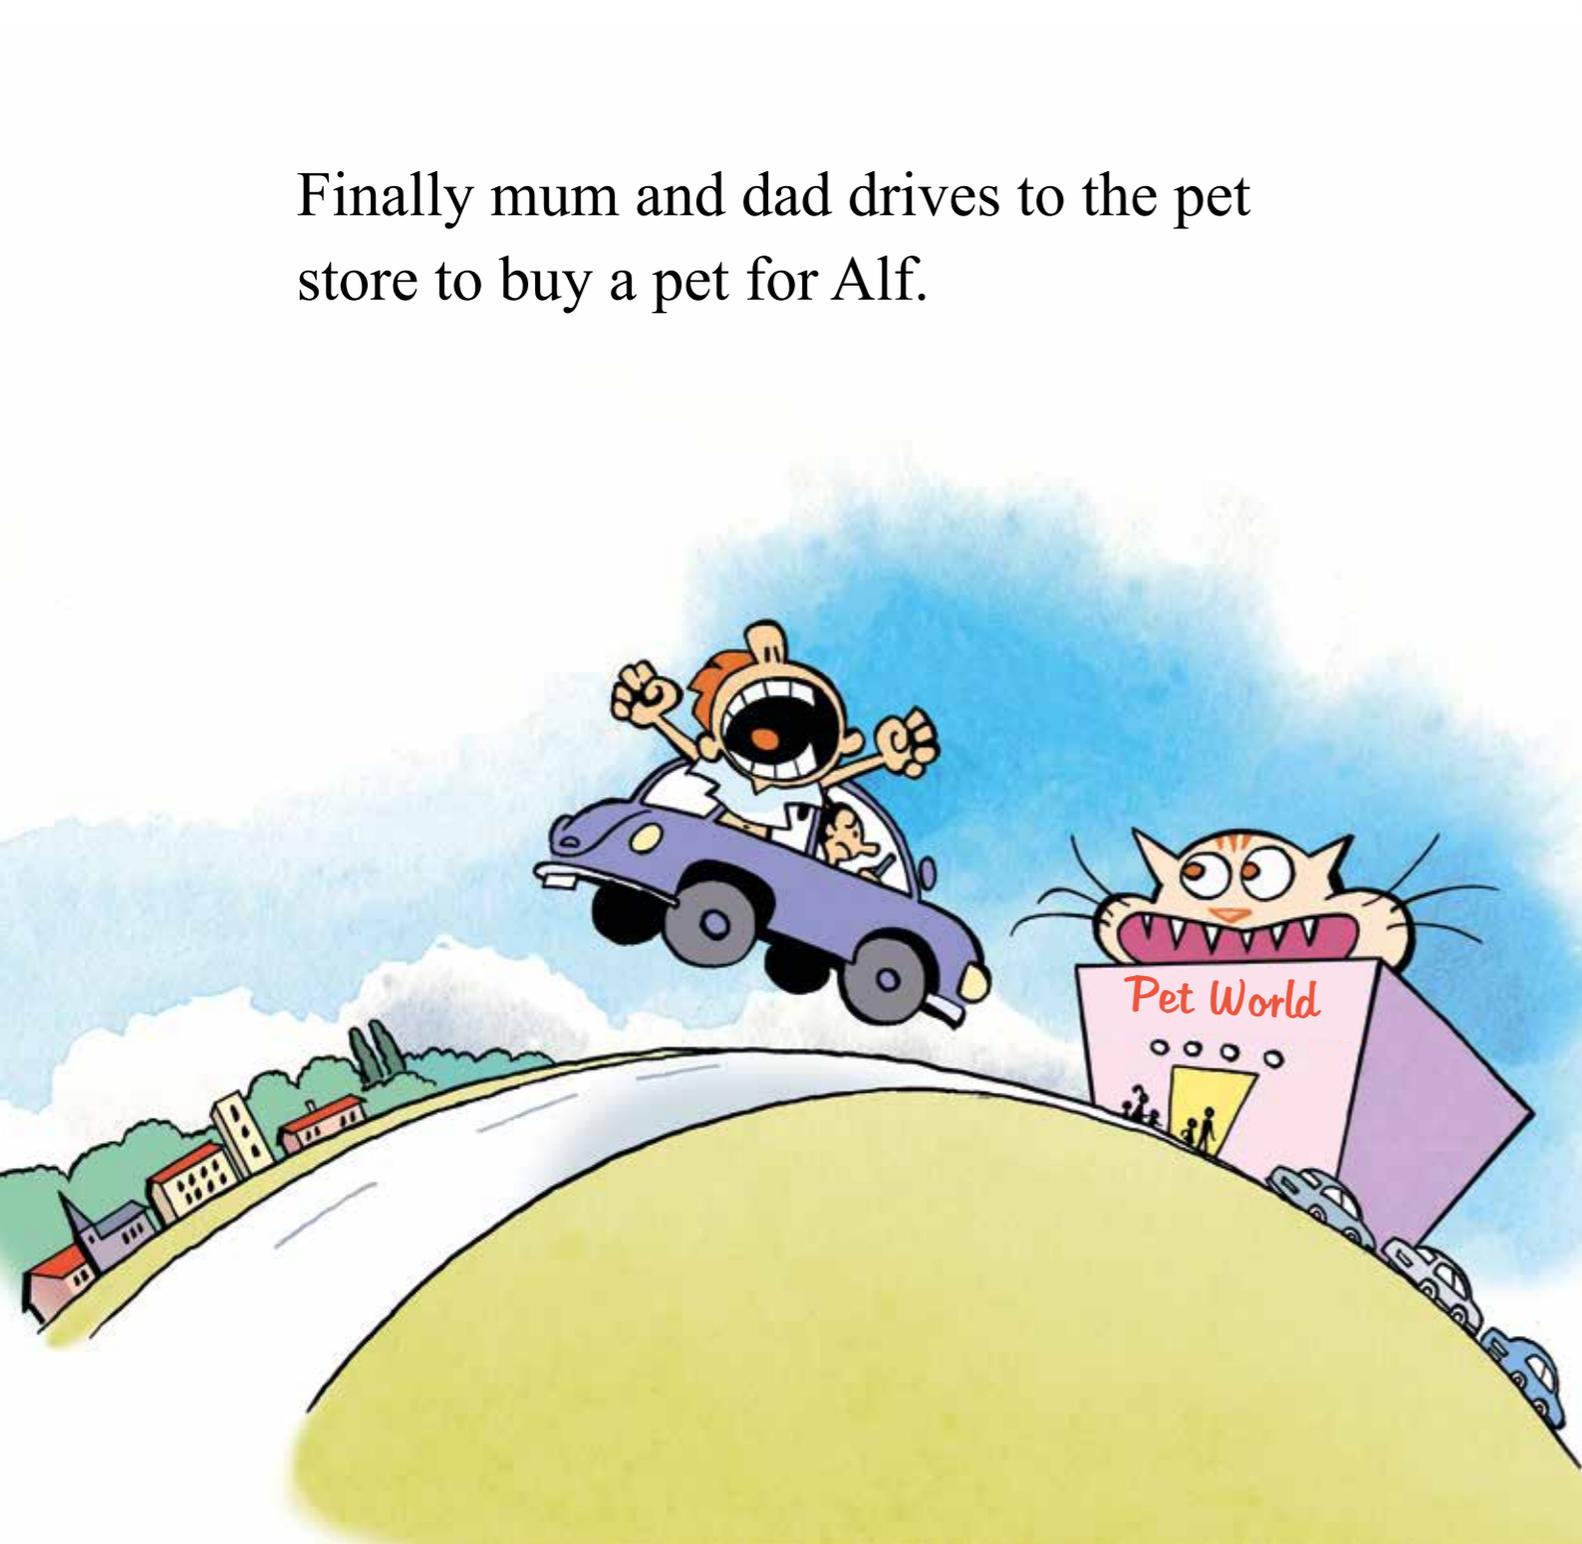

Alf really **really** wants a pet animal.
He keeps asking his mum and dad.

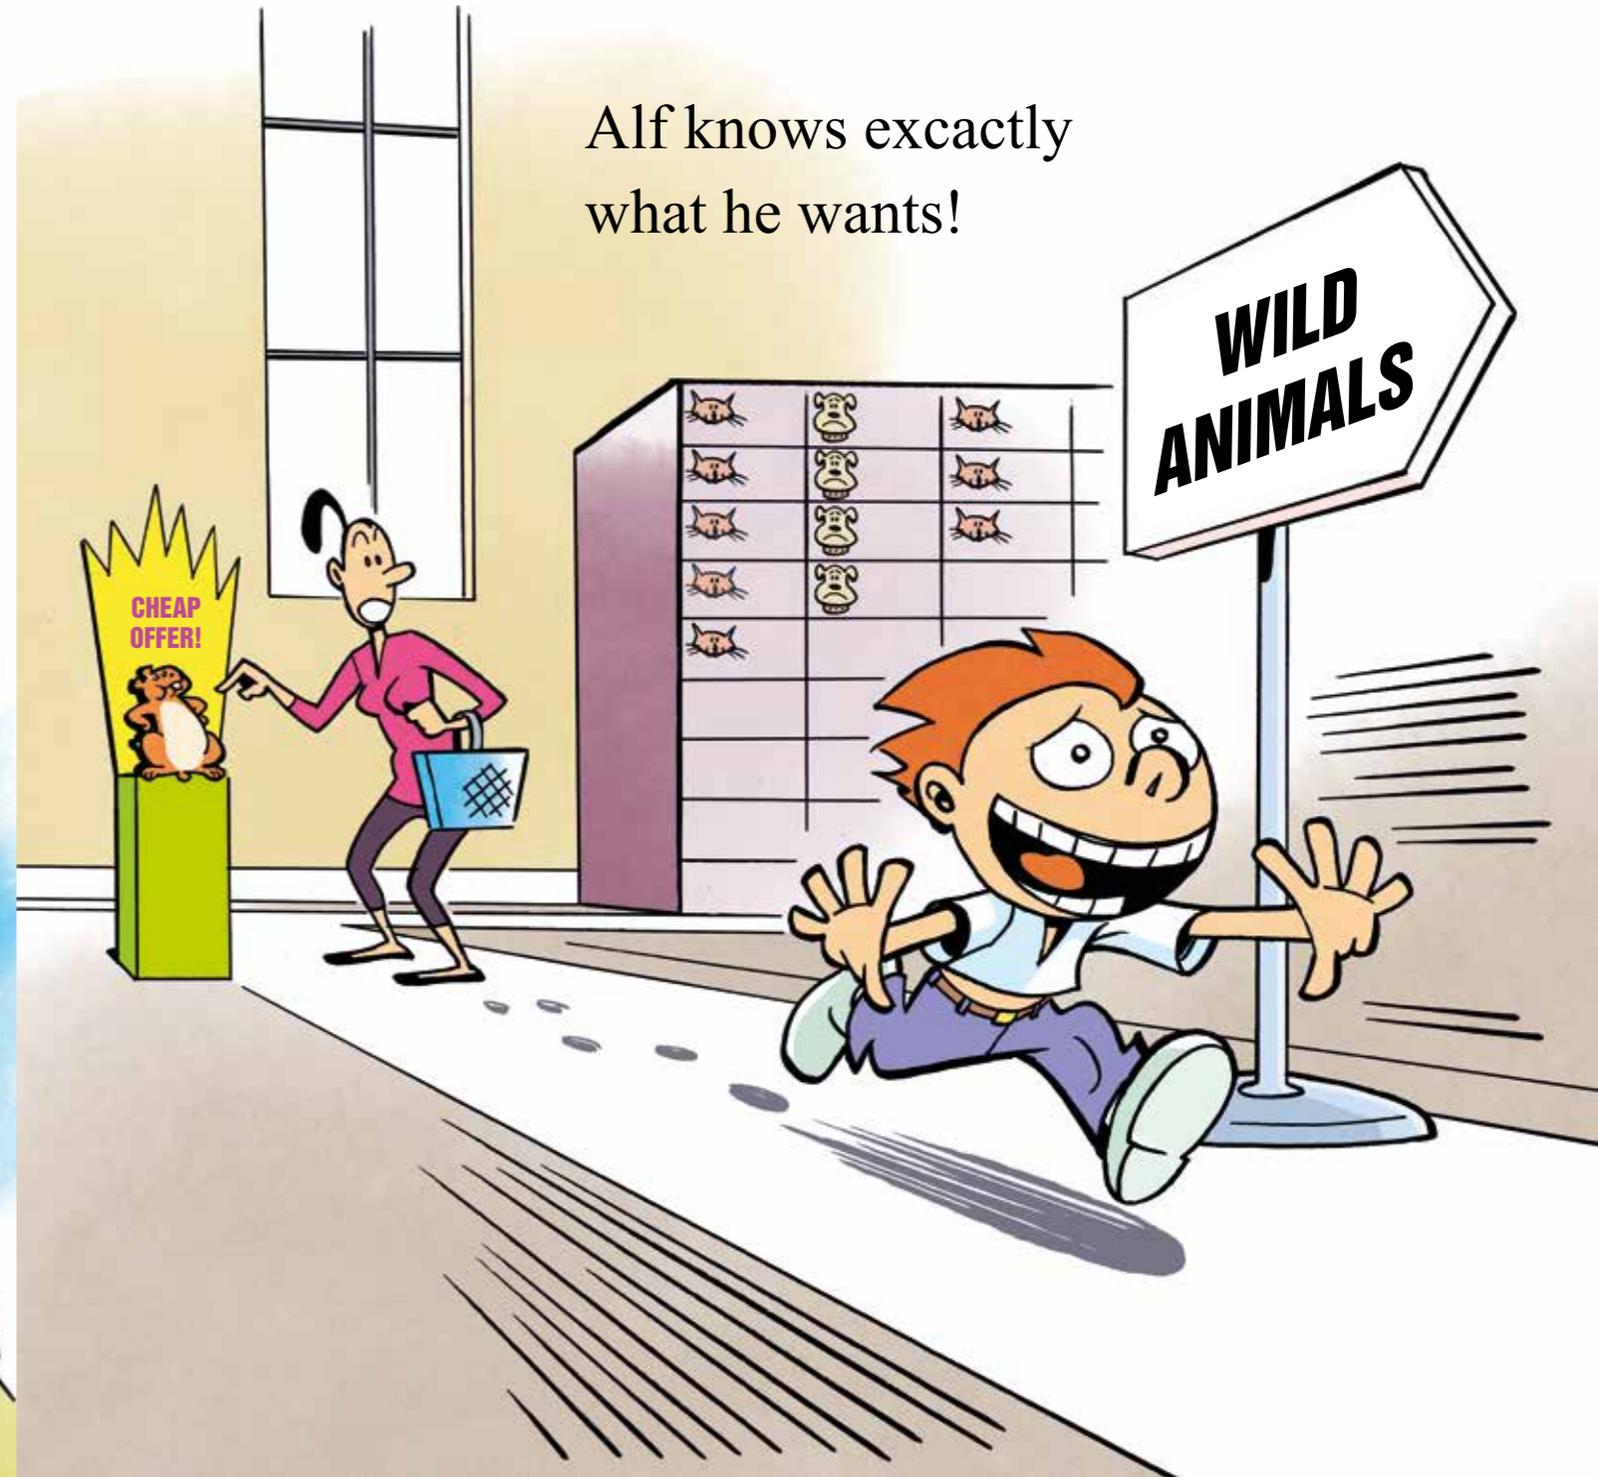

EVERY day!

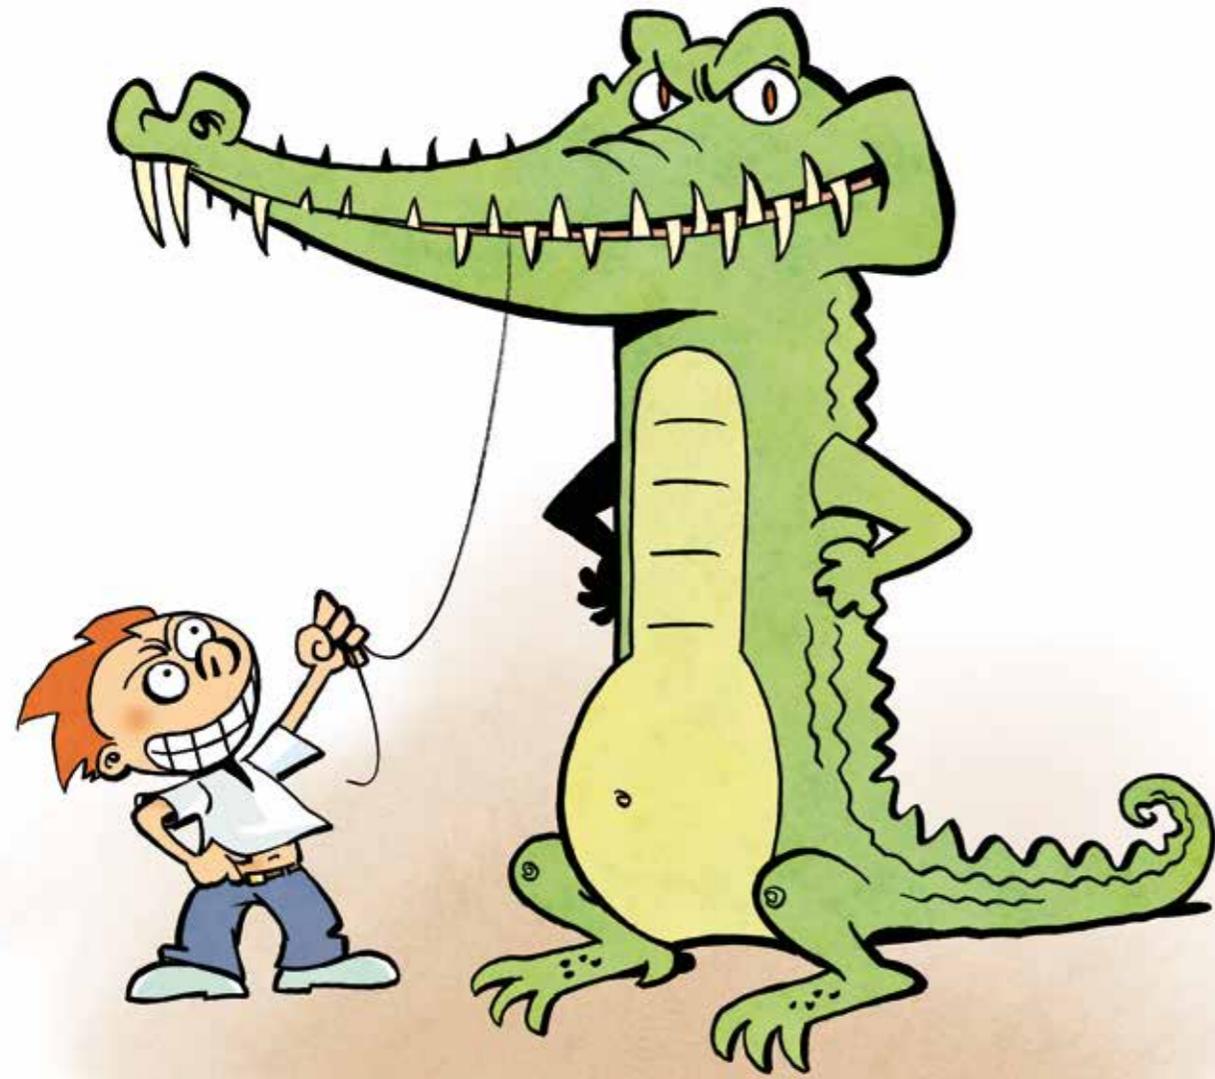

Finally mum and dad drives to the pet store to buy a pet for Alf.

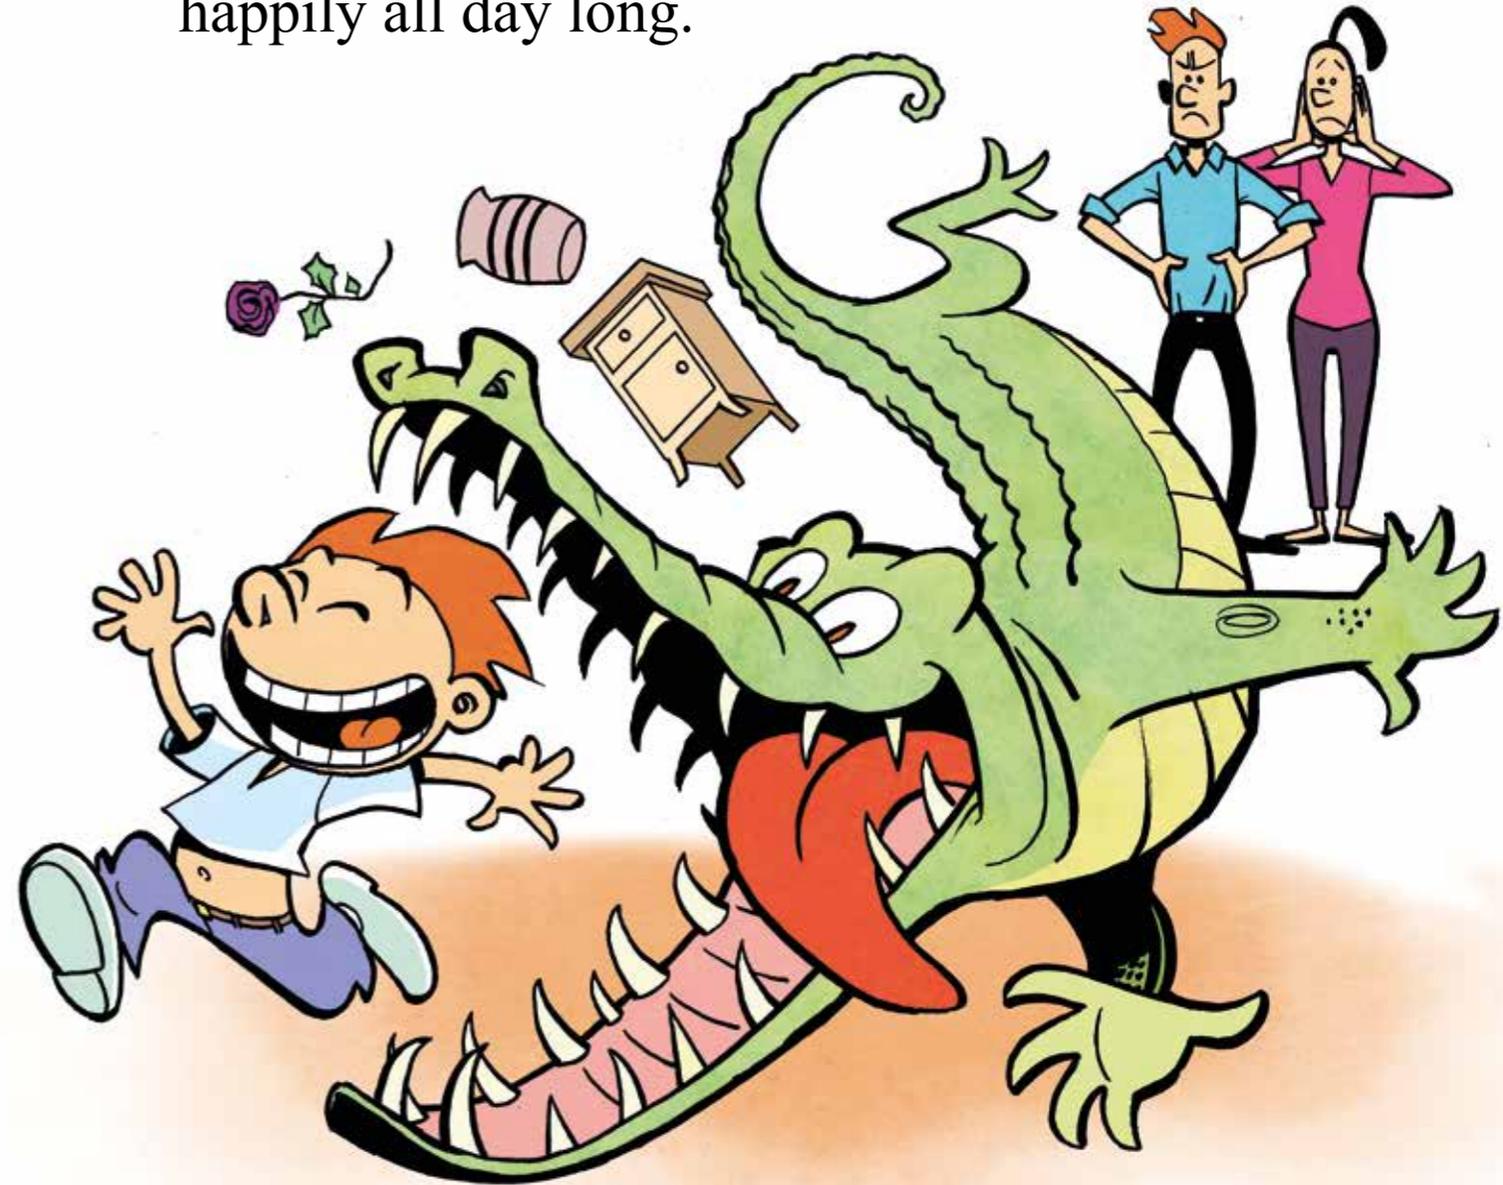

Alf knows exactly what he wants!

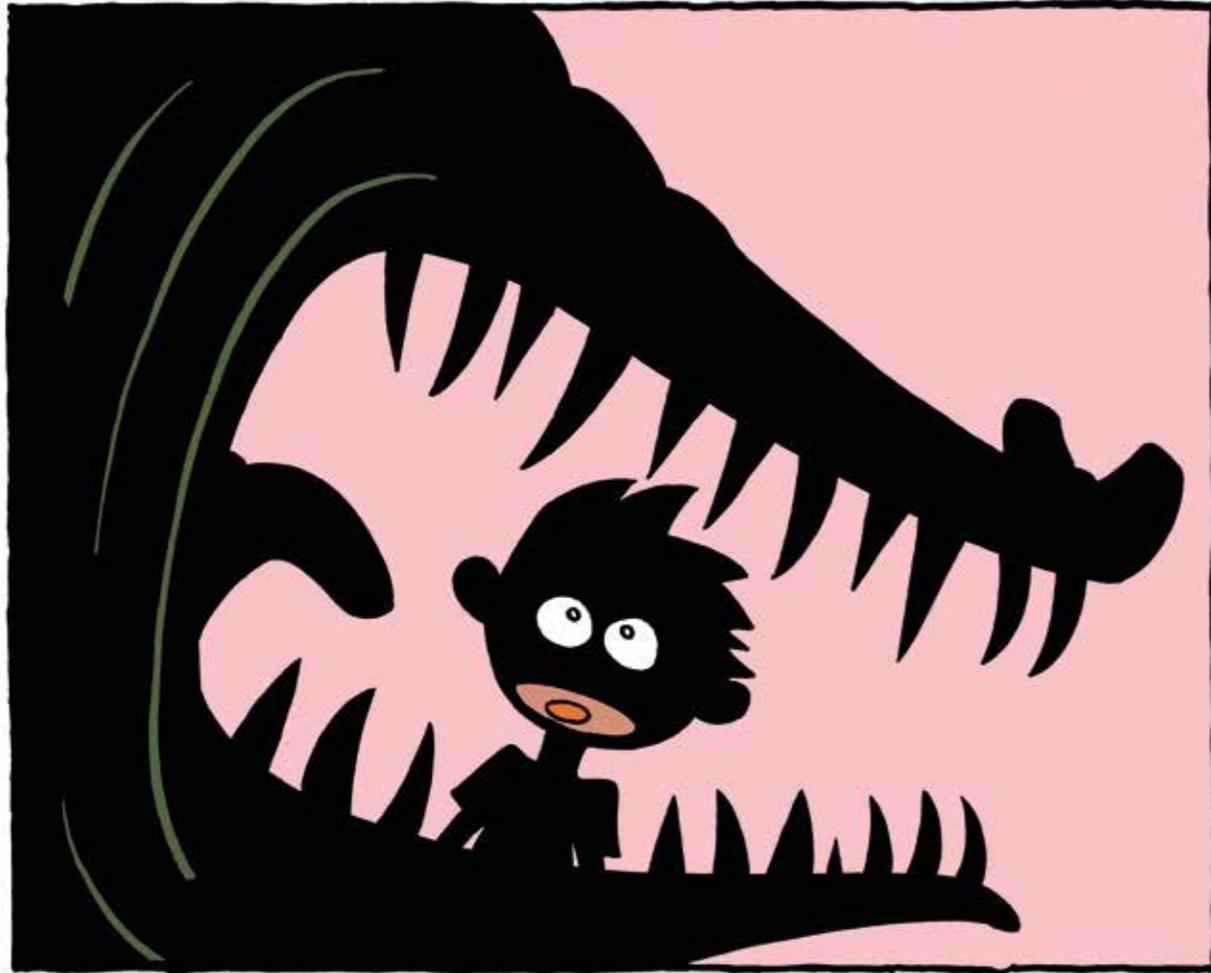

Alf has always wanted a crocodile!

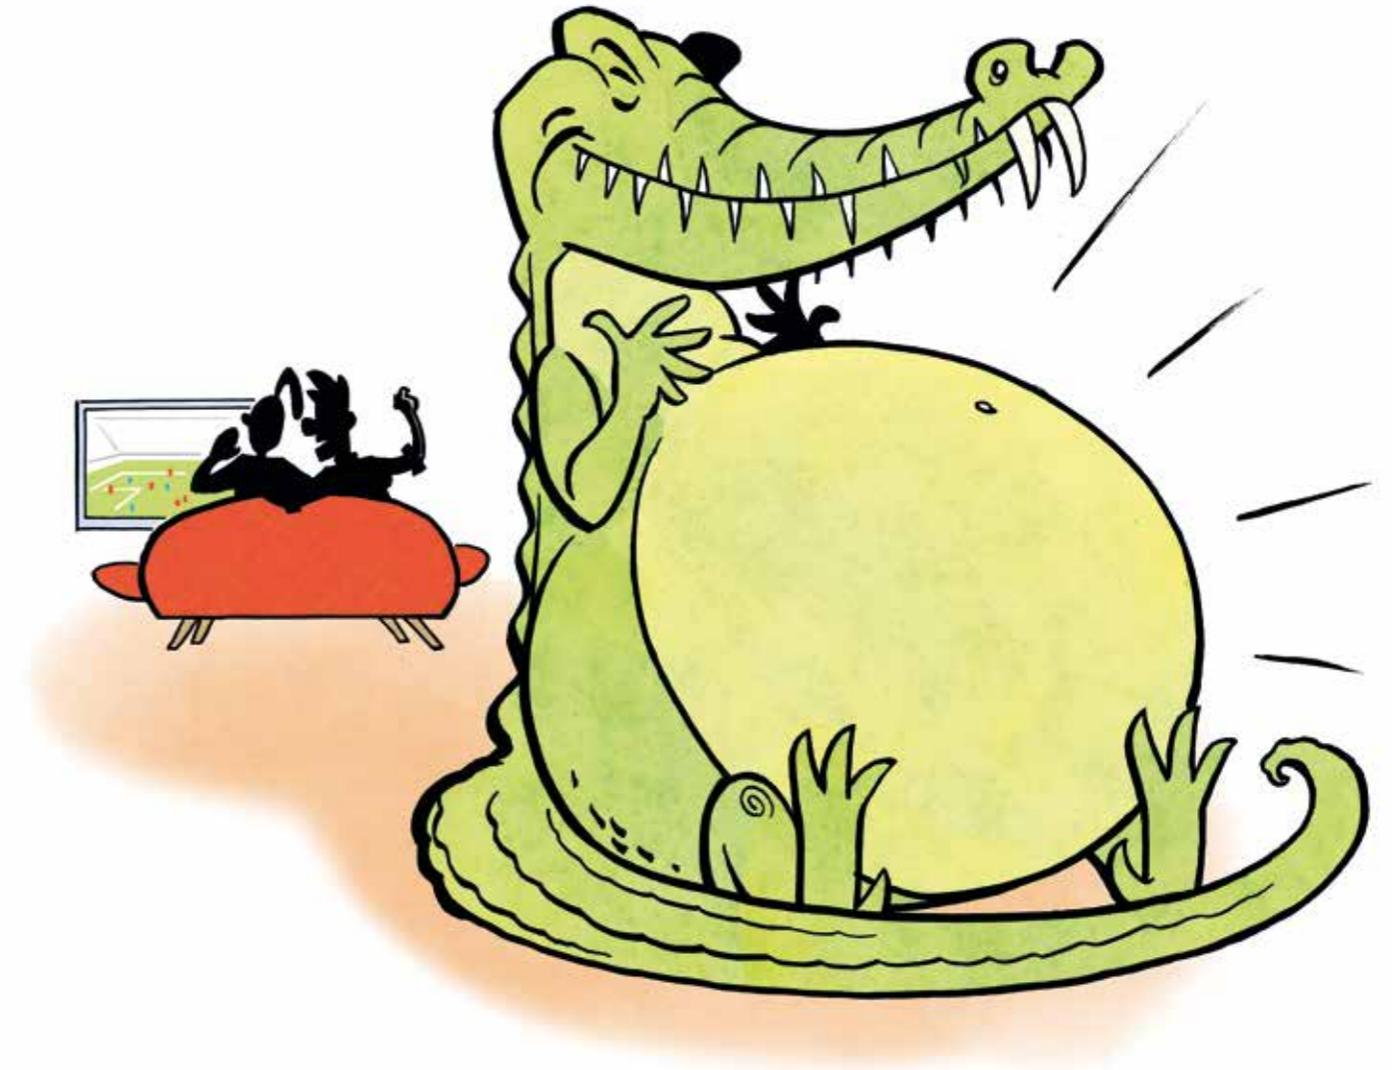

Alf and the crocodile play together happily all day long.

But Alf forgets to feed it.
And crocodiles are *very* hungry.

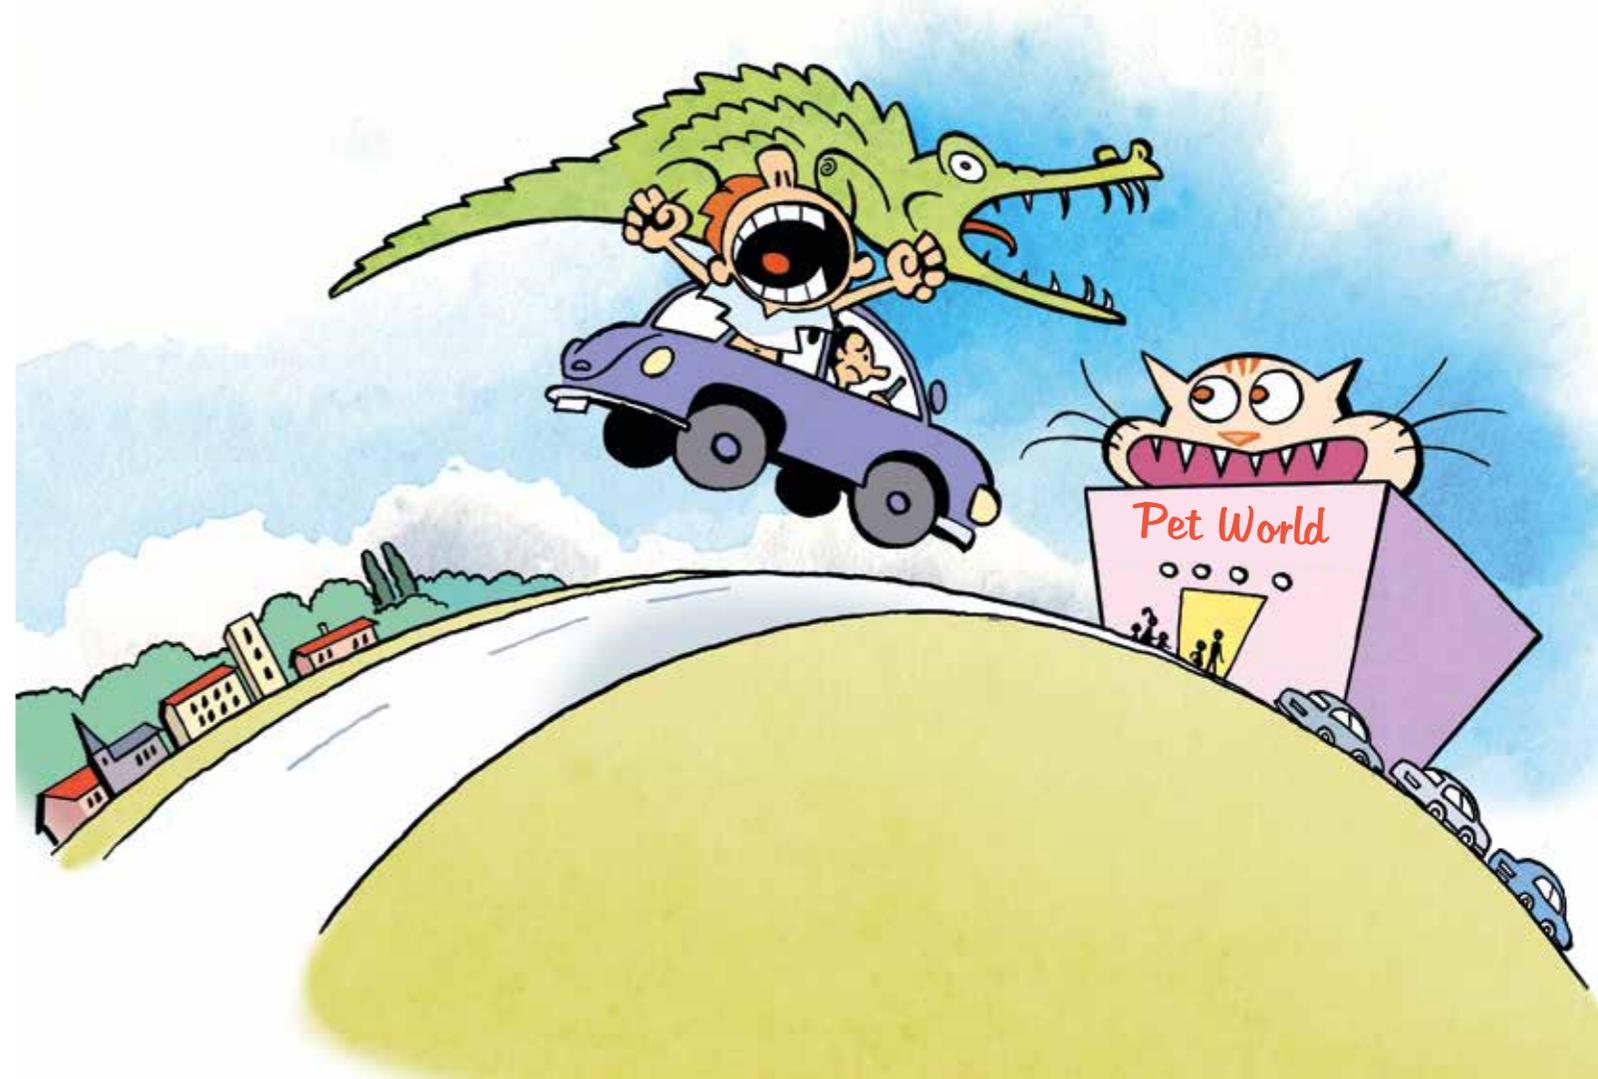

Many hours pass and nobody really miss Alf.

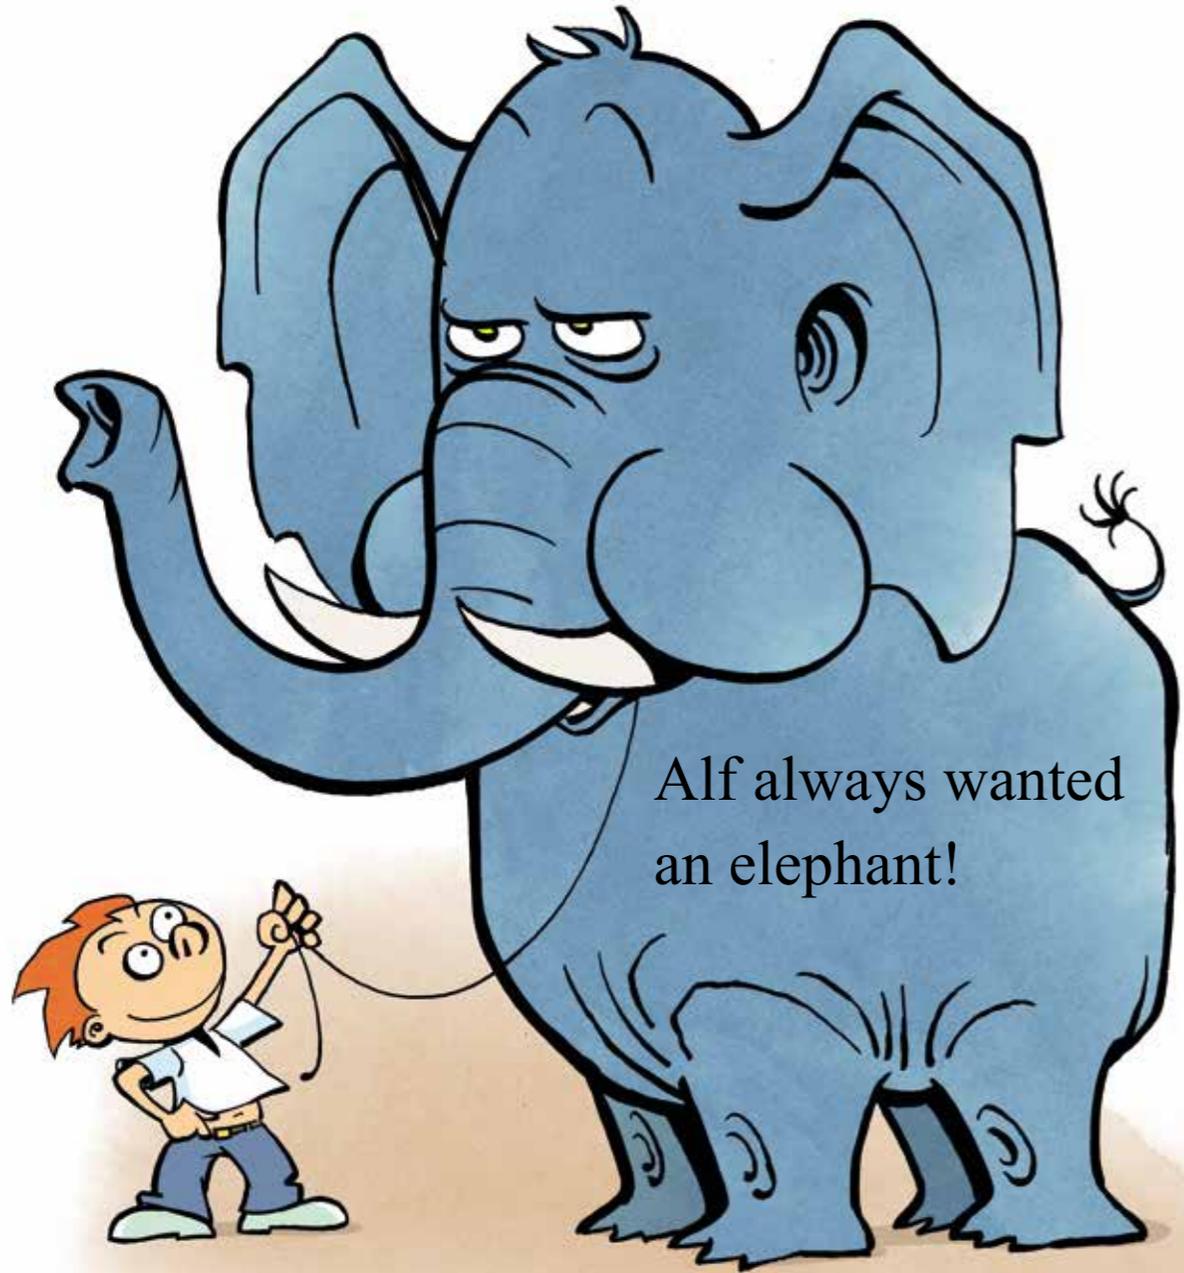

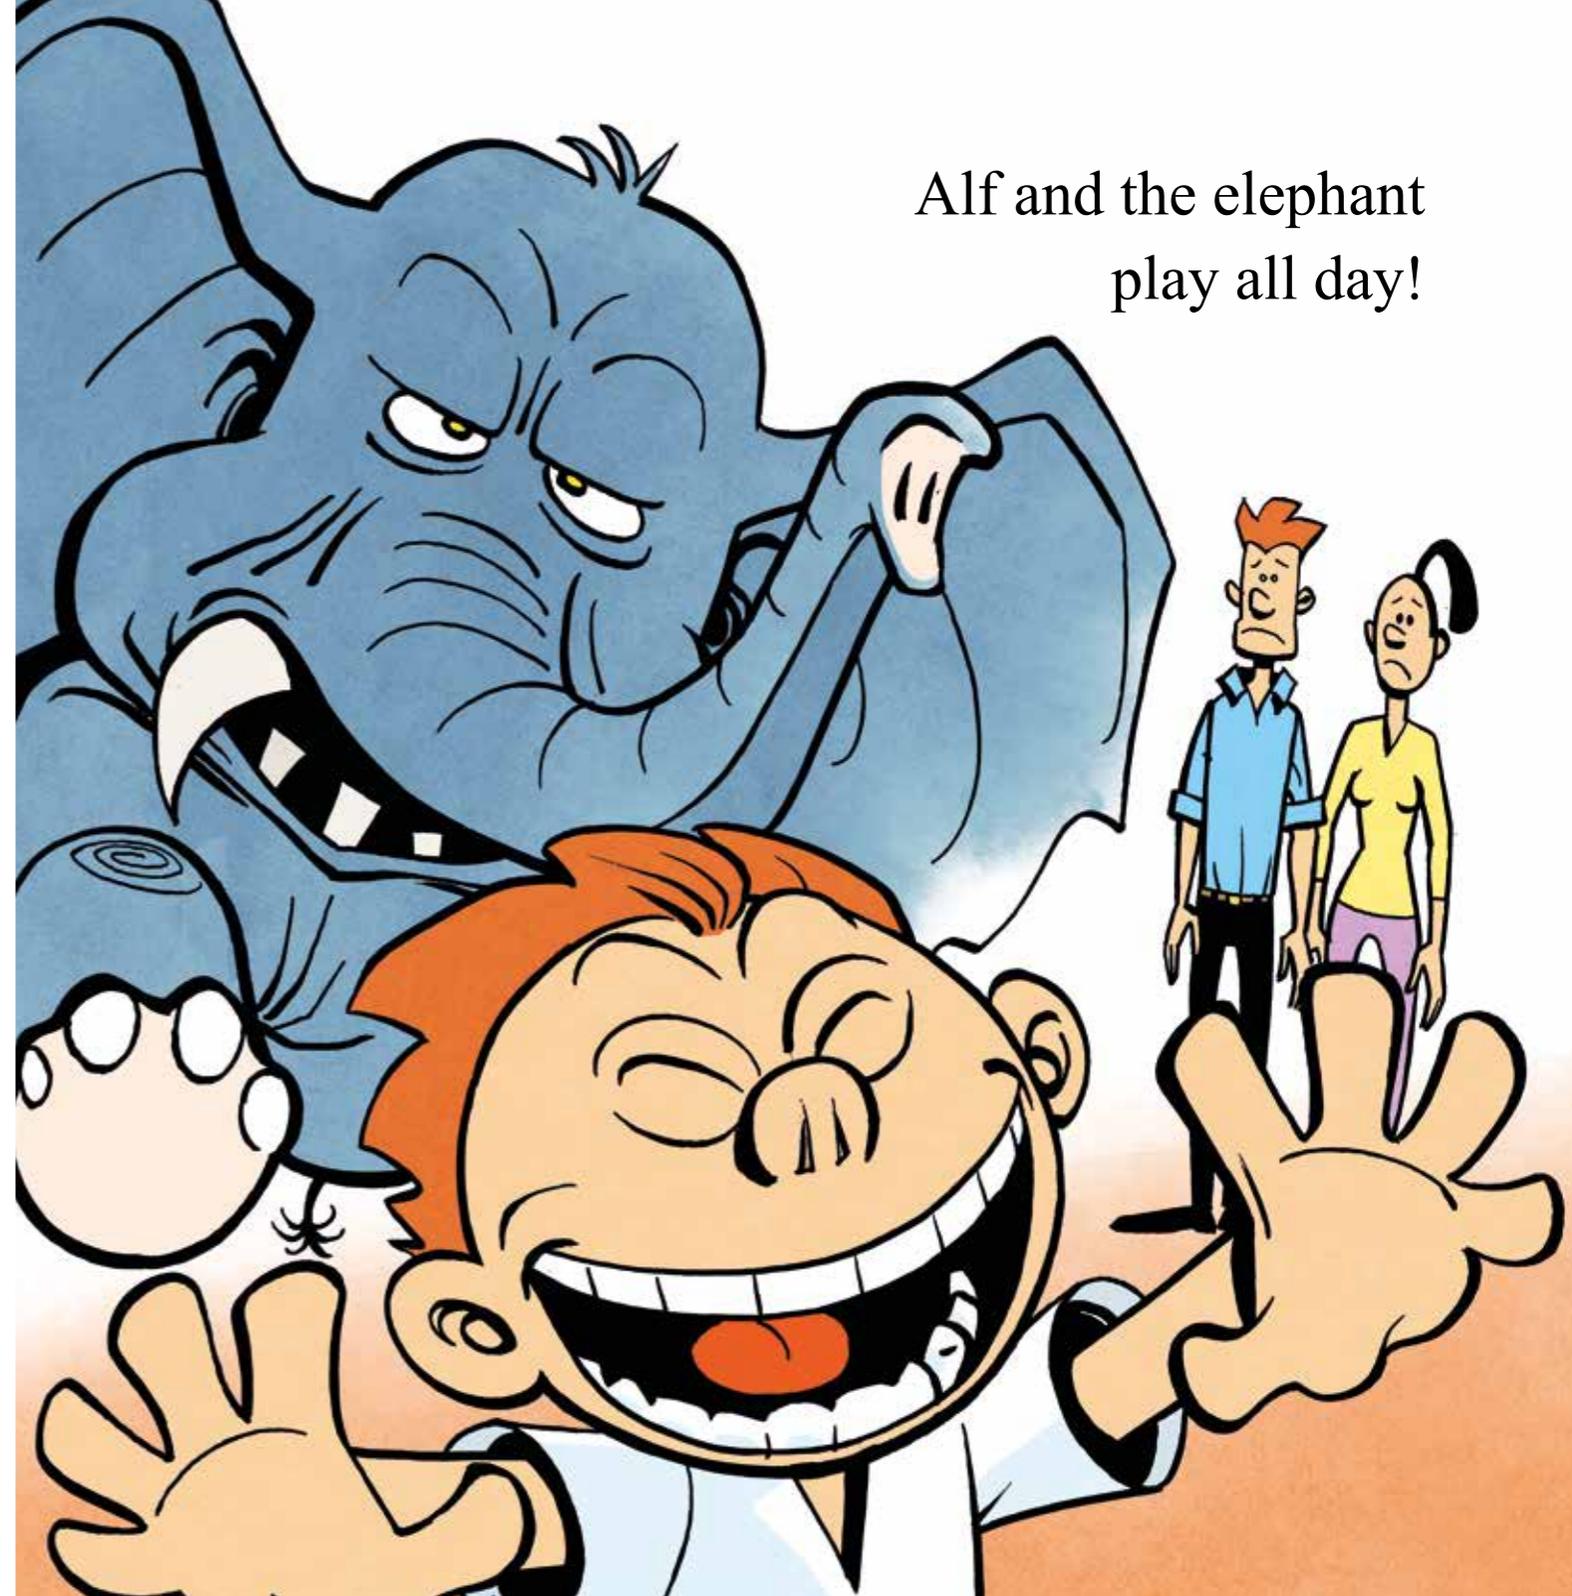

The next day Alf is just *so* fed up with crocodiles!

Mom and dad drives to the pet store to buy another animal for Alf.

Alf always wanted
an elephant!

Alf and the elephant
play all day!
